LearnForge Internal Wiki

1. About LearnForge

LearnForge is an online coding school founded in 2021. We teach web development, data structures and AI to students across India through video courses, live classes and mentoring. Our mission is to make good tech education affordable. Headquarters: Pune, Maharashtra. Official website: learnforge.example. General contact: hello@learnforge.example.

2. Organisation Structure

Leadership:

- CEO: Meera Joshi
- CTO: Arjun Rao
- COO: Kavita Nair
- Head of Content: Rohan Desai
- Head of Student Support: Sana Qureshi

Departments:

- Engineering: full-stack developers, DevOps, QA, UI/UX
- Content: instructors, video editors, curriculum designers
- Student Support: counsellors, support executives
- Marketing and Community: campaigns, social media, events
- Operations: HR, admin, finance, legal

Reporting Structure:

Each team member reports to their department head, who reports to the COO or CEO. Special project teams may be formed for major initiatives.

Internal Communication:

Official communication happens on Slack, Notion and LearnForge email. WhatsApp and Telegram are for urgent matters only. See Section 18 for branding rules.

3. Employment and HR Policies

LearnForge is an equal opportunity employer. Hiring, pay and promotions are based on merit, performance and business need. Harassment or discrimination of any kind leads to disciplinary action, up to termination.

Working hours: a minimum of 8 hours per day, between 9:30 AM and 6:30 PM, Monday to Friday. Flexible timing is available with manager approval. Attendance must be recorded daily on the Keka HR portal. Frequent unreported late arrivals are recorded as policy violations and reflected in the performance review (see Section 20).

Probation: every new employee has a 3-month probation period. Performance is reviewed by the reporting manager. Confirmation is sent in writing after a successful review and background check.

During probation either side may end employment with 5 days notice.

Notice period: after probation, 45 days written notice is required for resignation or termination. In cases of gross misconduct, theft, harassment or breach of confidentiality, employment may be terminated immediately without notice. All company property, including laptops and ID cards, must be returned on or before the last working day. Final settlement is processed within 30 days of exit.

Confidentiality: employees must not share company information, student data, course content or source code with any third party, during or after employment. A breach is gross misconduct and may lead to legal action.

Benefits: eligible employees receive health insurance, a yearly learning budget of Rs. 20,000 and a work-from-home allowance of Rs. 1,500 per month. Questions go to people@learnforge.example.

4. Leave Policy

Types of leave:

- Casual Leave: 10 per year, can be carried forward up to a maximum of 20
- Sick Leave: 8 per year, carried forward; a medical certificate is required for more than 2 consecutive days
- Earned Leave: 12 per year, carried forward
- Maternity Leave: 26 weeks, no carry forward, medical certificate needed
- Paternity Leave: 10 days, no carry forward, birth certificate needed
- Bereavement Leave: 5 days, no carry forward, proof of relationship needed

Leave must be applied for in advance on the Keka HR portal, except in emergencies. Emergency sick leave must be reported by phone or email to both the manager and HR.

Public holidays: 12 company-declared holidays per year.

Leave encashment: unused earned leave can be encashed at the end of each year, up to 15 days, at the basic salary rate.

Leave without pay: absence beyond the available balance is unpaid. Being absent for more than 5 days without information counts as voluntary abandonment and may lead to termination.

Special leave: sabbatical, study and compassionate leave may be granted by written request, at management discretion.

5. Salary and Payroll

Salaries are paid on the last working day of each month by bank transfer. Payslips are available on the Keka HR portal. Salary reviews happen once a year in April. Reimbursement claims must be submitted within 30 days with receipts.

6. Performance Reviews

Reviews are held twice a year, in April and October. Ratings use a 1 to 5 scale. A rating of 4 or above makes an employee eligible for a bonus and promotion. A rating below 2 triggers a 60-day improvement plan.

7. Code of Conduct

Be respectful and honest. No harassment, bullying or discrimination. Do not misuse company resources. Conflicts of interest, such as working for a competing company, must be reported to HR. Violations are handled by the HR committee.

8. Remote Work Policy

Employees may work from home up to 2 days per week with manager approval. A stable internet connection is required. Remote employees must be online on Slack during working hours and attend all team meetings with their camera on.

9. IT and Security Policy

Company laptops must use disk encryption and a screen lock of 5 minutes. Use the company password manager. Two-factor authentication is mandatory for email, Slack, GitHub and the cloud console. Report lost devices to it-help@learnforge.example within 2 hours. Never share credentials or install unapproved software.

10. Engineering Practices

All code is stored on GitHub in the learnforge organisation. Every change needs a pull request with at least one review. The main branch is protected. Releases go out every Tuesday and Thursday. Production incidents are tracked in the incident channel on Slack and need a written report within 48 hours.

11. Content Creation Guidelines

Each course follows a standard structure: introduction, concepts, hands-on project and quiz. Videos are recorded in 1080p with clear audio. Every video is reviewed by a second instructor before publishing. Course content must be original; copying material from other creators is not allowed.

12. Student Support Process

Support tickets are answered within 24 hours on weekdays. Urgent tickets (payment failure, login problems) are answered within 4 hours. Support executives must log every ticket in the support portal and close it only after the student confirms. Refund requests are covered in Section 13.

13. Refund Policy

Students may request a full refund within 7 days of purchase if they have watched less than 20 percent of the course. After 7 days no refund is given, except for duplicate payments. Approved refunds are returned to the original payment method within 10 working days.

14. Travel and Expense Policy

Travel for work must be approved in advance by the department head. Economy class is standard for flights. Hotel stay is limited to Rs. 4,000 per night in metro cities. The daily food allowance during travel is Rs. 800.

15. Equipment Policy

New joiners receive a laptop, headset and ID card on the first day. Damage caused by negligence may be charged to the employee. Equipment must be returned in good condition at exit.

16. Training and Learning

Every employee has a yearly learning budget of Rs. 20,000 for courses, books and conferences. Approved courses must be shared with the team in a Knowledge Drop session within 30 days of completion.

17. Social Media Policy

Employees may share public company posts. Do not share internal information, student data or unreleased courses. Personal opinions must not be presented as company views.

18. Branding Guidelines

The primary brand colour is deep blue with an orange accent. Use the official logo from the brand folder only. Do not change the logo colours or proportions. Email signatures must follow the standard template. Official announcements use the Notion brand template.

19. Grievance Redressal

Employees may raise a concern with their manager, then HR, then the COO. Complaints are acknowledged within 3 working days and resolved within 15 working days. Retaliation against someone who raises a concern in good faith is not allowed.

20. Disciplinary Process

Steps: verbal warning, written warning, final warning, termination. Serious misconduct can skip steps. Employees have the right to explain their side before a final decision.

21. Health and Safety

Report any injury or unsafe condition to admin immediately. Fire exits and first aid kits are on every floor. Fire drills are held every six months. A counsellor is available to employees every Wednesday.

22. Interview and Hiring Process

Steps: application screening, technical or skills test, two interview rounds, HR round, offer. The process takes about 3 weeks. Offers are valid for 7 days. Background checks are done before the joining date.

23. Onboarding

Day 1: laptop setup, account access and a welcome session. Week 1: meet the team and complete the security training. Month 1: first project assigned with a buddy for support. A 30-60-90 day review is held with the manager.

24. Mentorship Program

Every new employee is paired with a mentor for 6 months. Mentors meet their mentee for 30 minutes every week. Mentors receive recognition points that count toward annual awards.

25. Overtime and On-call

Overtime is not paid by default. Engineers on the on-call rotation receive Rs. 2,000 per on-call week and one compensatory day off after a weekend incident.

26. Data Privacy

Student data is stored only in approved systems. Access follows the least-privilege rule. Never export student data to personal devices. Data requests from students (access or deletion) go to privacy@learnforge.example and must be handled within 30 days.

27. Vendor Management

New vendors need approval from the operations head and a signed agreement. Payments to vendors are made within 30 days of invoice approval. Contracts above Rs. 5,00,000 need CEO approval.

28. Procurement

Purchases above Rs. 25,000 need three quotes. Raise purchase requests in the finance portal. Approved suppliers are listed in the vendor sheet.

29. Meeting Etiquette

Meetings start and end on time. Share an agenda in advance. Record decisions and action items in Notion within 24 hours. Fridays after 3 PM are meeting-free.

30. Office Facilities

The Pune office is open Monday to Friday, 8 AM to 8 PM. Free tea, coffee and filtered water are available. The cafeteria is open at lunchtime. Parking is available on a first-come basis.

31. Recognition and Awards

Monthly Star Performer is chosen by managers. Yearly awards include Best Instructor, Best Support Executive and Best Innovation. Winners receive a certificate and a cash prize of up to Rs. 25,000.

32. Volunteering and CSR

Each employee gets 2 paid volunteering days per year. LearnForge runs a free coding class for school students every second Saturday.

33. Referral Program

A bonus of Rs. 8,000 is paid for each successful referral after the new employee completes 6 months. Email: referrals@learnforge.example. Only direct employee referrals count, and the first referral received is the one considered.

34. Copyright and IP

All work created by employees belongs to LearnForge. Side projects and open-source contributions must be disclosed to the CTO. Unauthorised sharing or use is grounds for dismissal and legal action.

35. Scholarship and Discount Policy

Up to 15 percent of students in each course may receive scholarships, with manager approval. Discount codes are issued by the marketing team. Log every scholarship in the support portal.

36. Internal Jargon

- Forger: a LearnForge employee or student
- Fast Lane: an expedited review
- Hot Fix: an emergency production fix
- Build Week: a coding contest
- Knowledge Drop: an internal sharing session

37. Student Community Rules

Be respectful. No spam, self-promotion or illegal activity. New members must introduce themselves in the #introduce-yourself channel on Discord. Report issues to the moderators or community@learnforge.example.

38. Sample Email Templates

Leave request:

Subject: Leave Application

Hi [Manager], I would like to take leave from [start] to [end] for [reason]. Please approve it in Keka. Regards, [Name]

Support escalation:

Subject: Urgent: Student Support Escalation

Hi Support, Student ID: [ID]. Issue: [details]. Please address as soon as possible. Thanks, [Name]

39. Annual Events

LearnForge Day (June 10): all-hands meeting, hackathon and awards. Winter Build Week (December): coding contest. Educator Summit (August): upskilling and networking. Dates are announced on Slack and Notion.

40. Miscellaneous and Appendix

Template forms: /drive/templates/forms. Policy updates are posted in the #announcements channel on Slack. Anything else: help@learnforge.example.

Policy Change Log: 2025-06-05 initial version, 2025-07-20 engineering update, 2025-09-10 scholarship rules revised.
